

# JOIN CRAWLEY TOWN LIFESAVING CLUB

The Bronze Medallion Award can be your first step to becoming a Competitive Lifesaver, opening the doors to not just Local, but also Regional and National events. Members from Crawley Town Lifesaving Club regularly compete in the Commonwealth and World Lifesaving Championships.

Competition is regarded as the ultimate test of knowledge, skill and ability for Lifesavers, where events vary from Individual to Team, simulated incidents to endurance and sprint swimming, beach to pool, and craft to running.
